ABOUT EAST HARLEM PRESERVATION, INC.

East Harlem Preservation (EHP) is a volunteer advocacy organization founded in 2005 to promote, preserve, and protect the neighborhood's history and diversity. EHP maintains an extensive electronic library and collection of photographs, historical documents, presentations and reports. We provide transparency on large-scale developments, affordable housing, and other issues of concern to residents and business owners in East Harlem/El Barrio and surrounding areas through a regularly updated website and monthly e-newsletter. We also conduct neighborhood tours and regularly partner with local organizations such as:
